Conference
& Digital ID Hub

L.ID Conference

25 and 26 May 2027

LID, partnering with leading agencies and key players from the tech, corporate and financial sectors, returns for its second edition in 2027.

WHEN
25 and 26 May 2027

WHERE
Fundação Oriente, Lisbon

WHAT
The future of identity

WHY
Leading the Digital ID Revolution

Why should you sponsor us?

Showcase Impactful Innovations

Present how your groundbreaking research and cutting-edge technology are revolutionizing the digital identification landscape.

Calling innovators to share their vision

If you're on the verge of unveiling a digital ID game-changer, we want to amplify your voice. Your vision is the future!

First LID Innovation Awards

Participate in the first edition of the LID Innovation Awards. Votation made by all participants.

Join us in leading the charge for a secure, ethical, fair, carbon-neutral, and innovative Digital ID era.

Conference topics

New Industry Waves

Authentication as the backbone of all content flows

New eIDAS use-cases powering smart ecosystems

Corporate and Financial sector embracing eIDAS compliance

Remote public services via secure digital wallets

Independent Innovators

Ethical, locally anchored universal mobile ID

Desktop micro-issuers for distributed credentialing

The ultimate OS solutions for sovereign and private ID apps

Disruptive security

Multi-function eID cards with MIFARE, FIDO, 2FA, signatures

AI-shielded eID to stop deep-fake fraud

Border-ready biometrics for frictionless travel
